

Graphic & Text Specifications for CD Labels (Short-Run Duplication Only)

Your graphic or logo can be e-mailed or on cd or diskette, in PC or Mac format (Mac preferred), and must be in either vector format (Corel Draw .cdr, Encapsulated Postscript .eps, or Adobe Illustrator .ai) or in rasterized bitmap at 300 dpi (NO .jpgs!).

All text in graphics files must be converted to curves or supply fonts on disc. Any linked files must also be supplied.

Text file in plain text or MS Word, spellchecked, using normal fonts (i.e. Times or Arial, etc.), emailed or on cd or diskette. Any reformatting, spell-checking, or modifications on our end will incur additional charges.
